## Subject Index*

### A

**Abdomen**
Abdominal mass on a well child examination (Brown). 1991;5:333

**Abdominal pain**
Evaluation of the child with acute abdominal pain (Finelli). 1991;5:251-6

**Accident prevention**
Biting in day care centers: incidence, prevention, and intervention (Solomons and Elardo). 1991;5:191-6
Final status of legislation passed in the second session of the 101st Congress (Havens and Peterson). 1991;5:107-9
The Injury Prevention Program (TIPP) (Hobbie). 1991;5:279
Lead poisoning: the foremost preventable disease of childhood (Bodenhorn). 1991;5:156-7
Parent education and drowning prevention (Coffman). 1991;5:141-6

**Accidents, traffic**
Car seat update (Schoettle). 1991;5:160-2

**Adaptation, psychological**
Family adaptation in childhood chronic illness: a case report (Gallo). 1991;5:78-85

**Adolescence**
Adolescent addiction assessment and identification (Myers and Anderson). 1991;5:86-93
Contraceptives for teenagers (Bullough and Bullough). 1991;5:237-44
Delayed sexual development (Castiglia). 1991;5:213-4
Hair loss in children and adolescents (Clore and Corey). 1991;5:245-50
Menstrual disorders during adolescence (Tuttle). 1991;5:197-203

**Advertising**
Television: we need to watch it (Nelms). 1991;5:1-2 (Editorial)

**Aggression**
The aggressive child (Castiglia). 1991;5:152-4

**Alcoholism**
Adolescent addiction assessment and identification (Myers and Anderson). 1991;5:86-93

**Alopecia**
Alopecia (Castiglia). 1991;5:44-6
Hair loss in children and adolescents (Clore and Corey). 1991;5:245-50

**Ambulatory care facilities**
A school-based clinic in a preschool (Honig). 1991;5:34-9

**Amenorrhea**
Menstrual disorders during adolescence (Tuttle). 1991;5:197-203

**Anemia**
Physiologic sequelae of prematurity: the nurse practitioner's role. Part IV: anemia (Hagedorn and Gardner). 1991;5:3-10

**Antibiotics**
Cystic fibrosis, intravenous antibiotics, and home therapy (Hammond et al). 1991;5:24-30

**Arthritis, juvenile rheumatoid**
Chronic pain and the child with juvenile rheumatoid arthritis (Page). 1991;5:18-23

**Association of Faculties of Pediatric Nurse Associates/Practitioner Programs**
Association of Faculties of Pediatric Nurse Associates/Practitioner Programs update (Clore). 1991;5:338

### B

**Bites, human**
Biting in day care centers: incidence, prevention, and intervention (Solomons and Elardo). 1991;5:191-6

**Body height**
8-year-old girl with short stature (Rudy). 1991;5:223
Growth hormone therapy for short stature (Roberts). 1991;5:327-32

**Bottle feeding**
Physiologic sequelae of prematurity: the nurse practitioner's role. Part V: feeding difficulties and growth failure (pathophysiology, cause, and data collection) (Gardner and Hagedorn). 1991;5:122-34
Physiologic sequelae of prematurity: the nurse practitioner's role. Part VI: feeding difficulties and growth failure (prevention, intervention, parent teaching, and complications) (Gardner and Hagedorn). 1991;5:306-14

**Breast feeding**
Anticipatory guidance for the employed breast-feeding mother (Greenberg and Smith). 1991;5:204-9
Dietary consultation for lactating women (Liljeberg). 1991;5:40-3
Physiologic sequelae of prematurity: the nurse practitioner's role. Part V: feeding difficulties and growth failure (pathophysiology, cause, and data collection) (Gardner and Hagedorn). 1991;5:122-34
Physiologic sequelae of prematurity: the nurse practitioner's role. Part VI: feeding difficulties and growth failure (prevention, intervention, parent teaching, and complications) (Gardner and Hagedorn). 1991;5:306-14

*January-February, pp. 1-58; March-April, pp. 59-120; May-June, pp. 121-176; July-August, pp. 177-234; September-October, pp. 235-288; November-December, pp. 289-372.

**Bruises**
Bruising on a well-child examination (Jonides). 1991;5:155

C

**Cambodia**
Childrearing knowledge, beliefs, and practices of Cambodian refugees (Lenart et al). 1991;5:299-305
**Case management**
Case management: ambiguous at best (Brault and Kissinger). 1991;5:179-83
Pediatric nurse practitioners: primary care providers and case managers for chronically ill children at home (Martinez et al). 1991;5:291-8
**Cathartics**
Acute phenolphthalein ingestion in children: a retrospective review (Mrvos et al). 1991;5:147-51
**Catheters, indwelling**
The Port-A-Cath and Per-Q-Cath (Hammond). 1991;5:31-3
**Child**
NAPNAP position statements. 1991;5:339
**Child, preschool**
A school-based clinic in a preschool (Honig). 1991;5:34-9
**Child care**
Final status of legislation passed in the second session of the 101st Congress (Havens and Peterson). 1991;5:107-9
Latchkey children (Doak and Hobbie). 1991;5:110-1
**Child day care centers**
Biting in day care centers: incidence, prevention, and intervention (Solomons and Elardo). 1991;5:191-6
**Child rearing**
Childrearing knowledge, beliefs, and practices of Cambodian refugees (Lenart et al). 1991;5:299-305
**Chronic disease**
Family adaptation in childhood chronic illness: a case report (Gallo). 1991;5:78-85
Pediatric nurse practitioners: primary care providers and case managers for chronically ill children at home (Martinez et al). 1991;5:291-8
**Clinical insights**
Abdominal mass on a well child examination (Brown). 1991;5:333
Bruising on a well-child examination (Jonides). 1991;5:155
Child with prolonged cough (Walsh). 1991;5:269
8-year-old girl with short stature (Rudy). 1991;5:223
Objective data (Rudy). 1991;5:106
Subjective data (Rudy). 1991;5:106
**Clinical Nurse Specialist**
Merging advanced practice roles: the NP and CNS (Hockenberry-Eaton and Powell). 1991;5:158-9
**Cocaine**
Adolescent addiction assessment and identification (Myers and Anderson). 1991;5:86-93
The future of cocaine babies: primary care and early intervention (Abel). 1991;5:321-3
**Colic**
Office management of the infant with colic (Cervisi et al). 1991;5:184-90
**Contraceptive devices**
Contraceptives for teenagers (Bullough and Bullough). 1991;5:237-44
**Correction**
Adolescent addiction: assessment and identification (Myers and Andersen) (1991;5:86-93). 1991;5:215
**Cough**
Child with prolonged cough (Walsh). 1991;5:269
Objective data (Rudy). 1991;5:106
Subjective data (Rudy). 1991;5:106
**Crying**
Office management of the infant with colic (Cervisi et al). 1991;5:184-90
**Cystic fibrosis**
Cystic fibrosis, intravenous antibiotics, and home therapy (Hammond et al). 1991;5:24-30

D

**Death**
Homicide: a killer of youth (Nelms). 1991;5:289 (Editorial)
**Decision making, computer-assisted**
Computer-assisted decision making: a strategy for primary prevention of substance abuse (Thomas). 1991;5:257-63
**Delivery of health care**
When the foundation slips (Nelms). 1991;5:235-6 (Editorial)
**Dietary services**
Dietary consultation for lactating women (Liljeberg). 1991;5:40-3
**Disease outbreaks**
When the foundation slips (Nelms). 1991;5:235-6 (Editorial)
**Drowning**
Parent education and drowning prevention (Coffman). 1991;5:141-6

E

**Editorials**
Families should be a priority (Nelms). 1991;5:121
Homicide: a killer of youth (Nelms). 1991;5:289
Needed: a research agenda for PNPs (Nelms). 1991;5:177-8
Television: we need to watch it (Nelms). 1991;5:1-2
What's in a name? (Nelms). 1991;5:59-60
When the foundation slips (Nelms). 1991;5:235-6
**Education**
The Injury Prevention Program (TIPP) (Hobbie). 1991;5:279
Parent education and drowning prevention (Coffman). 1991;5:141-6
**Environment**
Maternal, environmental, and temperamental characteristics of toddlers with and toddlers without sleep problems (Jimmerson). 1991;5:71-7

**Equipment and supplies**
The Port-A-Cath and Per-Q-Cath (Hammond). 1991;5:31-3
**Ethics**
Moral development (Castiglia). 1991;5:324-6

F

**Family**
Families should be a priority (Nelms). 1991;5:121 (Editorial)
Family adaptation in childhood chronic illness: a case report (Gallo). 1991;5:78-85
**Feeding behavior**
Physiologic sequelae of prematurity: the nurse practitioner's role. Part V: feeding difficulties and growth failure (pathophysiology, cause, and data collection) (Gardner and Hagedorn). 1991;5:122-34
Physiologic sequelae of prematurity: the nurse practitioner's role. Part VI: feeding difficulties and growth failure (prevention, intervention, parent teaching, and complications) (Gardner and Hagedorn). 1991;5:306-14
**Financing, government**
When the foundation slips (Nelms). 1991;5:235-6 (Editorial)

G

**Growth and development**
The aggressive child (Castiglia). 1991;5:152-4
Alopecia (Castiglia). 1991;5:44-6
Delayed sexual development (Castiglia). 1991;5:213-4
Moral development (Castiglia). 1991;5:324-6
Precocious puberty (Castiglia). 1991;5:267-8
The shy child (Castiglia). 1991;5:97-8
**Growth disorders**
8-year-old girl with short stature (Rudy). 1991;5:223
Growth hormone therapy for short stature (Roberts). 1991;5:327-32
Physiologic sequelae of prematurity: the nurse practitioner's role. Part V: feeding difficulties and growth failure (pathophysiology, cause, and data collection) (Gardner and Hagedorn). 1991;5:122-34
Physiologic sequelae of prematurity: the nurse practitioner's role. Part VI: feeding difficulties and growth failure (prevention, intervention, parent teaching, and complications) (Gardner and Hagedorn). 1991;5:306-14
**Growth substance**
Growth hormone therapy for short stature (Roberts). 1991;5:327-32

H

**Hair diseases**
Alopecia (Castiglia). 1991;5:44-6
**Health**
NAPNAP position statements. 1991;5:339
**Health education**
The role of school nursing in the United States (Thurber et al). 1991;5:135-40
**HIV infections**
Dispelling common myths about HIV infection (Gleason-Morgan). 1991;5:264-6
**Home care services**
Cystic fibrosis, intravenous antibiotics, and home therapy (Hammond et al). 1991;5:24-30
Pediatric nurse practitioners: primary care providers and case managers for chronically ill children at home (Martinez et al). 1991;5:291-8
**Homicide**
Homicide: a killer of youth (Nelms). 1991;5:289 (Editorial)
**Hospitalization**
New role for PNPs in an inpatient setting (Dale). 1991;5:336-7
**Hyperbilirubinemia**
Assessment of hyperbilirubinemia in full-term infants. Part I (Buzby). 1991;5:94-6
Assessment of hyperbilirubinemia in full-term infants. Part II (Buzby). 1991;5:210-2

I

**Immunization**
Final status of legislation passed in the second session of the 101st Congress (Havens and Peterson). 1991;5:107-9
**Infant**
Assessment of hyperbilirubinemia in full-term infants. Part I (Buzby). 1991;5:94-6
Assessment of hyperbilirubinemia in full-term infants. Part II (Buzby). 1991;5:210-2
Maternal, environmental, and temperamental characteristics of toddlers with and toddlers without sleep problems (Jimmerson). 1991;5:71-7
Office management of the infant with colic (Cervisi et al). 1991;5:184-90
Pertussis in an infant (Walsh). 1991;5:215 (Letter)
**Infant, newborn**
The future of cocaine babies: primary care and early intervention (Abel). 1991;5:321-3
**Infant, premature**
Physiologic sequelae of prematurity: the nurse practitioner's role. Part IV: anemia (Hagedorn and Gardner). 1991;5:3-10
Physiologic sequelae of prematurity: the nurse practitioner's role. Part V: feeding difficulties and growth failure (pathophysiology, cause, and data collection) (Gardner and Hagedorn). 1991;5:122-34
Physiologic sequelae of prematurity: the nurse practitioner's role. Part VI: feeding difficulties and growth failure (prevention, intervention, parent teaching, and complications) (Gardner and Hagedorn). 1991;5:306-14
**Infant equipment**
Car seat update (Schoettle). 1991;5:160-2
**Infant nutrition**
Anticipatory guidance for the employed breast-feeding mother (Greenberg and Smith). 1991;5:204-9
Dietary consultation for lactating women (Liljeberg). 1991;5:40-3

**The Injury Prevention Program**
The Injury Prevention Program (TIPP) (Hobbie). 1991;5:279
**Inpatients**
New role for PNPs in an inpatient setting (Dale). 1991;5:336-7
**Insurance, health, reimbursement**
Federal reimbursement to nurse practitioners (Havens and Hestvik). 1991;5:47-9
Medicaid reimbursement and pediatric nurse practitioners (Hardy Havens and Greenberg). 1991;5:224-6
Medicaid reimbursement and pediatric nurse practitioners (state-by-state analysis) (Hardy Havens and Greenberg). 1991;5:270-8

J

**Jaundice**
Assessment of hyperbilirubinemia in full-term infants. Part I (Buzby). 1991;5:94-6
Assessment of hyperbilirubinemia in full-term infants. Part II (Buzby). 1991;5:210-2

L

**Language development**
Instruments for the screening of speech/language development in children (Kilmon et al). 1991;5:61-70
**Latchkey children**
Latchkey children (Doak and Hobbie). 1991;5:110-1
**Lead poisoning**
Lead poisoning: the foremost preventable disease of childhood (Bodenhorn). 1991;5:156-7
**Legislative news**
Federal reimbursement to nurse practitioners (Havens and Hestvik). 1991;5:47-9
Final status of legislation passed in the second session of the 101st Congress (Havens and Peterson). 1991;5:107-9
Lead poisoning: the foremost preventable disease of childhood (Bodenhorn). 1991;5:156-7
Medicaid reimbursement and pediatric nurse practitioners (Hardy Havens and Greenberg). 1991;5:224-6
Medicaid reimbursement and pediatric nurse practitioners (state-by-state analysis) (Hardy Havens and Greenberg). 1991;5:270-8
New pesticide policies focus on pediatrics (Auld). 1991;5:334-5
**Letters to the editor**
Pertussis in an infant (Walsh). 1991;5:215 (Letter)
**Literature abstracts**
Assessing and teaching self-care to youths with diabetes mellitus (Millonig). 1991;5:163
Clinical management of port-wine stain in infants and young children using the flashlamp-pulsed dye laser (Millonig). 1991;5:227
Crack use by American middle-class adolescent polydrug abusers (Millonig). 1991;5:163
Epidemiologic aspects of toilet training (Millonig). 1991;5:51
Gross motor milestones in preterm infants: correction for degree of prematurity (Millonig). 1991;5:50-1
Lack of impact of early antibiotic therapy for streptococcal pharyngitis on recurrence rates (Millonig). 1991;5:227
Mammalian bites (Millonig). 1991;5:50
**Lyme disease**
Treatment of Lyme disease (Kamper). 1991;5:99-105

M

**Marijuana abuse**
Adolescent addiction assessment and identification (Myers and Anderson). 1991;5:86-93
**Mass screening**
Instruments for the screening of speech/language development in children (Kilmon et al). 1991;5:61-70
**Maternal behavior**
Maternal, environmental, and temperamental characteristics of toddlers with and toddlers without sleep problems (Jimmerson). 1991;5:71-7
**Medicaid**
Federal reimbursement to nurse practitioners (Havens and Hestvik). 1991;5:47-9
Final status of legislation passed in the second session of the 101st Congress (Havens and Peterson). 1991;5:107-9
Medicaid reimbursement and pediatric nurse practitioners (Hardy Havens and Greenberg). 1991;5:224-6
Medicaid reimbursement and pediatric nurse practitioners (state-by-state analysis) (Hardy Havens and Greenberg). 1991;5:270-8
**Medically underserved area**
Final status of legislation passed in the second session of the 101st Congress (Havens and Peterson). 1991;5:107-9
**Medicare**
Federal reimbursement to nurse practitioners (Havens and Hestvik). 1991;5:47-9
Final status of legislation passed in the second session of the 101st Congress (Havens and Peterson). 1991;5:107-9
**Menstruation disorders**
Menstrual disorders during adolescence (Tuttle). 1991;5:197-203
**Milk, human**; *see also* **Breast feeding**
Dietary consultation for lactating women (Liljeberg). 1991;5:40-3
**Minority groups**
Final status of legislation passed in the second session of the 101st Congress (Havens and Peterson). 1991;5:107-9
**Morals**
Moral development (Castiglia). 1991;5:324-6
**Murder**; *see* **Homicide**

N

**National Certification Board update**
National Certification Board update. 1991;5:52, 164-5, 281-2

**Near drowning**
Parent education and drowning prevention (Coffman). 1991;5:141-6
**Neuroblastoma**
Abdominal mass on a well child examination (Brown). 1991;5:333
**Nursing Care Management**
Case management: ambiguous at best (Brault and Kissinger). 1991;5:179-83

O

**Office management**
Office management of the infant with colic (Cervisi et al). 1991;5:184-90

P

**Pain**
Chronic pain and the child with juvenile rheumatoid arthritis (Page). 1991;5:18-23
Evaluation of the child with acute abdominal pain (Finelli). 1991;5:251-6
**Parents**
Parent education and drowning prevention (Coffman). 1991;5:141-6
**Patient education**
Computer-assisted decision making: a strategy for primary prevention of substance abuse (Thomas). 1991;5:257-63
Dispelling common myths about HIV infection (Gleason-Morgan). 1991;5:264-6
**Patient education review**
The Injury Prevention Program (TIPP) (Hobbie). 1991;5:279
Latchkey children (Doak and Hobbie). 1991;5:110-1
**Patient management exchange**
Acute phenolphthalein ingestion in children: a retrospective review (Mrvos et al). 1991;5:147-51
Assessment of hyperbilirubinemia in full-term infants. Part I (Buzby). 1991;5:94-6
Assessment of hyperbilirubinemia in full-term infants. Part II (Buzby). 1991;5:210-2
Dietary consultation for lactating women (Liljeberg). 1991;5:40-3
Dispelling common myths about HIV infection (Gleason-Morgan). 1991;5:264-6
The future of cocaine babies: primary care and early intervention (Abel). 1991;5:321-3
**Pediatric pharmacology**
Growth hormone therapy for short stature (Roberts). 1991;5:327-32
Treatment of Lyme disease (Kamper). 1991;5:99-105
Treatment of Rocky Mountain spotted fever (Kamper). 1991;5:216-22
**Pesticides**
New pesticide policies focus on pediatrics (Auld). 1991;5:334-5
**Pharmacology**
Growth hormone therapy for short stature (Roberts). 1991;5:327-32
Treatment of Lyme disease (Kamper). 1991;5:99-105
Treatment of Rocky Mountain spotted fever (Kamper). 1991;5:216-22
**Phenolphthaleins**
Acute phenolphthalein ingestion in children: a retrospective review (Mrvos et al). 1991;5:147-51
**Pneumonia**
Child with prolonged cough (Walsh). 1991;5:269
**Poisoning**
Acute phenolphthalein ingestion in children: a retrospective review (Mrvos et al). 1991;5:147-51
Lead poisoning: the foremost preventable disease of childhood (Bodenhorn). 1991;5:156-7
**Policy and position statements**
NAPNAP position statements. 1991;5:339
**Pregnancy in adolescence**
Contraceptives for teenagers (Bullough and Bullough). 1991;5:237-44
**Premature infant**; *see* **Infant, premature**
**Product alert**
Car seat update (Schoettle). 1991;5:160-2
**Professional insights**
Merging advanced practice roles: the NP and CNS (Hockenberry-Eaton and Powell). 1991;5:158-9
New role for PNPs in an inpatient setting (Dale). 1991;5:336-7
**Professional titles**
What's in a name? (Nelms). 1991;5:59-60 (Editorial)
**Puberty, delayed**
Delayed sexual development (Castiglia). 1991;5:213-4
**Puberty, precocious**
Precocious puberty (Castiglia). 1991;5:267-8
**Purpura, thrombocytopenic**
Bruising on a well-child examination (Jonides). 1991;5:155

R

**REACH program**
Pediatric nurse practitioners: primary care providers and case managers for chronically ill children at home (Martinez et al). 1991;5:291-8
**Refugees**
Childrearing knowledge, beliefs, and practices of Cambodian refugees (Lenart et al). 1991;5:299-305
**Research**
Needed: a research agenda for PNPs (Nelms). 1991;5:177-8 (Editorial)
**Reviewers**
Manuscript review panel 1991. 1991;5:290
**Rocky Mountain spotted fever**
Treatment of Rocky Mountain spotted fever (Kamper). 1991;5:216-22

S

**Safety**
Car seat update (Schoettle). 1991;5:160-2
**School health services**
A school-based clinic in a preschool (Honig). 1991;5:34-9

**School nursing**
The role of school nursing in the United States (Thurber et al). 1991;5:135-40
**Sex behavior**
Contraceptives for teenagers (Bullough and Bullough). 1991;5:237-44
**Short stature; *see* Body height**
**Shyness**
The shy child (Castiglia). 1991;5:97-8
**Skin tests**
Tuberculosis screening and treatment in children (Richardson et al). 1991;5:11-7
**Sleep disorders**
Maternal, environmental, and temperamental characteristics of toddlers with and toddlers without sleep problems (Jimmerson). 1991;5:71-7
**Somatotropin**
8-year-old girl with short stature (Rudy). 1991;5:223
**Speech**
Instruments for the screening of speech/language development in children (Kilmon et al). 1991;5:61-70
**State health plans**
Medicaid reimbursement and pediatric nurse practitioners (state-by-state analysis) (Hardy Havens and Greenberg). 1991;5:270-8
**Substance abuse**
Computer-assisted decision making: a strategy for primary prevention of substance abuse (Thomas). 1991;5:257-63
**Substance dependence**
Adolescent addiction assessment and identification (Myers and Anderson). 1991;5:86-93
The future of cocaine babies: primary care and early intervention (Abel). 1991;5:321-3

T

**Television**
Final status of legislation passed in the second session of the 101st Congress (Havens and Peterson). 1991;5:107-9
Television: we need to watch it (Nelms). 1991;5:1-2 (Editorial)
**Temperament**
Maternal, environmental, and temperamental characteristics of toddlers with and toddlers without sleep problems (Jimmerson). 1991;5:71-7
**Ticks**
Treatment of Lyme disease (Kamper). 1991;5:99-105
Treatment of Rocky Mountain spotted fever (Kamper). 1991;5:216-22
**Tinea capitis**
Hair loss in children and adolescents (Clore and Corey). 1991;5:245-50
**Trichotillomania**
Hair loss in children and adolescents (Clore and Corey). 1991;5:245-50
**Tuberculosis**
Tuberculosis screening and treatment in children (Richardson et al). 1991;5:11-7

U

**Urinary tract infections**
Vesicoureteral reflux (Borkowski). 1991;5:315-20

V

**Vaccination**
Final status of legislation passed in the second session of the 101st Congress (Havens and Peterson). 1991;5:107-9
**Vesico-ureteral reflux**
Vesicoureteral reflux (Borkowski). 1991;5:315-20
**Violence**
Homicide: a killer of youth (Nelms). 1991;5:289 (Editorial)

W

**Whooping cough**
Objective data (Rudy). 1991;5:106
Pertussis in an infant (Walsh). 1991;5:215 (Letter)
Subjective data (Rudy). 1991;5:106
**Women, working**
Anticipatory guidance for the employed breastfeeding mother (Greenberg and Smith). 1991;5:204-9
